## ABSTRACT SUBMISSION GUIDELINES

---

On-line abstract submission is available through the ISNCC Website at <https://secure-isncc.malachite-mgmt.com/imisl/scriptcontent/index.cfm?section=unknown&activesection=home>. If you are unable to access the online submission system, please contact the ISNCC Secretariat at 1.604.630.5516.

Abstracts are limited to two submissions addressing two different abstract categories. If you are coming back to your abstract to 'complete' your submission, then please ensure you open and complete your original submission. Please do not create a new submission for abstracts requiring edits or completion.

Your abstract text should be no longer than 300 words (this ignores spaces and your abstract title). Please ensure that the text of your abstract does not identify the submitting author(s) and/or organization(s).

As part of the abstract submission process you will be asked for the following information:

- A short biography typed into the submission site.
- Rank order of presentation preference ( if selected): oral, moderated poster session, poster session

You may edit your abstract submission at any time prior to the electronic submission deadline. Only abstracts listed as 'complete' in the submission system will be considered for review.

The abstract submission deadline is **January 15, 2012** at 11:59 p.m. PST.

The abstract submission system will include all of the steps and criteria required for the formatting of your abstract submission.

Mentorship for abstract, poster and power point presentation development may be available through your regional representatives. Please contact ISNCC for a list of available representatives if you are interested in this process.

Notice of acceptance will be made to the corresponding author by the end April, 2012.

**Please note your abstract will be published in the 17<sup>th</sup> ICCN Final Program and Abstract Book exactly as it is submitted on-line. Please ensure accuracy of your submitted abstract on or before the deadline of January 15, 2012 at 11:59 p.m. PST. Abstract submissions may be edited by the author until the deadline. Please do not create a new submission for abstracts requiring edits or completion.**

Any questions regarding the submission process are to be directed to ISNCC Head Office by telephone at: +1.604.630.5516, or by email at: [info@isncc.org](mailto:info@isncc.org).
