

## **Lena Sharp**

Lena Sharp, RN, PhD, is the Chief Nursing Officer at The Department of Oncology, Karolinska University Hospital, Stockholm, Sweden.

Lena has been working as a cancer nurse for 25 years and is involved in clinical work, management, education and research. Her two main focus areas of research is symptom management for patients undergoing radiotherapy and team communication for improved patient safety. She is the author of a recently published teaching book on communication and patient safety.

Lena is on the board of the Swedish Nursing Society's scientific group and also a board member of the European Oncology Nursing Society (EONS). She is the chair for the upcoming 10th National Conference in Cancer Care in Sweden and also on the editorial board for the Swedish Cancer Nursing Societies' journal.
