

Sultan Kav RN, PhD

Associate Professor at Baskent University

Faculty of Health Sciences, Department of Nursing, Ankara, TURKEY

Dr Sultan Kav began her nursing career following graduation from nursing school in 1991. She received her BSN, MSN and PhD degrees from Hacettepe University School of Nursing in Ankara, Turkey. Dr Kav has held a range of nursing positions, including clinical nurse, nurse supervisor, oncology nurse educator and research coordinator. She has organized and coordinated continued learning programs for nurses who work in the area of oncology at several institutions. She currently works as an Associate Professor at Baskent University, Faculty of Health Sciences Department of Nursing in Ankara, Turkey.

She is an active member of national and international oncology nursing organizations; has served as chair of MASCC Education Study Group and principal investigator of several studies of the education of patients receiving oral cancer agents, which led to a MASCC Education Study Group project to develop a teaching tool. She has been involved EONS since 2005 and currently immediate Past-President of the European Oncology Nursing Society (EONS).

She is the recipient of the 2010 Oncology Nursing Society (ONS) International Award for Contributions to Cancer Care; prior to this she has received MASCC Young Investigator Award (2004) and MASCC Best Young Investigator Award in 2005.
