## **ISNCC PLANNED GIFTS AND MEMORIALS**

The International Society for Nurses in Cancer Care (ISNCC), founded in 1984, is an international federation of:

- § National cancer nursing societies
- § Regional cancer nursing societies
- § Oncology institutions
- § Individual cancer nurse practitioners, researchers, and educators

Globally, ISNCC represents over 60,000 cancer nursing professionals.

ISNCC is a non-governmental member of the World Health Organization (WHO), is affiliated to the International Council of Nurses (ICN) and the International Union Against Cancer (UICC), and is a member of the Pan American Health Organisation (PAHO).

The objectives of ISNCC are to:

- § Provide a communication network for national and regional cancer nursing societies
- § Provide nurses working in countries where a national cancer nursing group has not been established with regular communication on developments in cancer nursing throughout the world
- § Assist nurses working in cancer care to establish national cancer nursing societies and regional organizations
- § Support other international organizations by acting as a valuable international resource of nurses working in clinical practice, education, research and management to advise them on cancer nursing and the nurse's role in cancer care
- § Serve as a link for other international, regional, national and local organisations in promoting collaboration to achieve ISNCC's goals
- § Promote the dissemination of advances in cancer care through ISNCC's official publication - International Cancer Nursing News

An important vehicle by which ISNCC aims to achieve its mission and objectives is through gifts from people like you. There are numerous benefits to giving a gift to ISNCC, including income tax savings, reduction of estate and probate taxes, a show of commitment to a particular cause, and most importantly, personal satisfaction. ISNCC giving opportunities include planned gifts and memorials, as outlined below.

The funds from planned gifts and memorials can be used towards numerous ISNCC activities, including, but not limited to, the following examples:

- § Educational programs for international nurses in low resource countries – on a particular topic or in a specific geographic area
- § Communication and networking initiatives for international nurses
- § Direct assistance with the setup of a national nursing society to nurses in low resource countries

Funds can be used towards a specific activity and/or as an important portion of a larger initiative.

## PLANNED GIFTS

---

Planned gifts to ISNCC can take the form of either estate planning or gift planning.

Estate planning allows you to permanently connect yourself and your family to ISNCC through a gift to the Society from your final will and testament. If you are interested in estate planning via a bequest, in order to provide a gift to ISNCC, please discuss this with your Estate Planner and/or Attorney and add this wish to your final will and testament. Please remember when making your decision that there are numerous types of bequests to consider and discuss with your Estate Planner and/or Attorney. Please contact ISNCC if you are planning to give a donation via your will – we would like to take the opportunity to thank you. If you are interested in specifying the use of your gifts, or have any questions, please contact ISNCC Head Office for further information.

Gift planning allows you to make charitable donations to ISNCC, per a schedule predetermined by you and your family, and provides the enjoyment of tracking the usage of the gift on ISNCC activities. If you are interested in gift planning, please fill in the enclosed response form. ISNCC Head Office will follow up with you regarding the schedule, specifications regarding the use of this gift, and to answer any further questions.
